Subject: Please Change Your Password

Dear Student:

Keeping George Mason University's IT environment secure is a shared responsibility and we need your help. Please change your password. Changing your password is a critical step to protect institutional data and personal information.

To change your password, log in to the Mason Password Management site at <https://password.gmu.edu> and select Option 2.

If you need help with the password change or want to verify the authenticity of this message, please contact the ITU Support Center at 703-993-8870, support@gmu.edu, or submit an online request: <https://itservices.gmu.edu/forms/submit-request.cfm>

Thank you for helping Mason keep its technology environment safe and secure. Should we consider other proactive measures in the future, we will contact you directly.

Marilyn T. Smith
Vice President of Information Technology and Chief Information Officer
George Mason University
